JUNIOR LEAGUE OF  
**LAFAYETTE**

2018-2019 ANNUAL REPORT

# JUNIOR LEAGUE OF LAFAYETTE

It only takes one. One to observe a need, visualize a pathway, and collaborate with others to create a solution. Originally founded in 1957 as the Service League of Lafayette, 17 women took action based upon their commitment to improving the community and developing the potential of women as trained volunteers. Assuming the official name of Junior League of Lafayette after joining The Association of Junior Leagues International, Inc. (AJLI) in 1974, Junior League of Lafayette has grown to over 650 women strong. Although the needs of our community have changed over time, our commitment to what we do has never wavered: making lasting community change while training and empowering women to lead in the League and in the community.

## OUR MISSION

Junior League of Lafayette is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

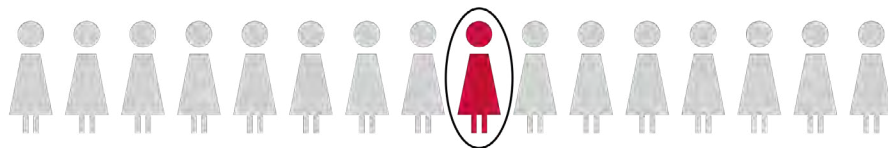

## OUR VISION

Women as leaders for lasting community change.

**49<sup>th</sup>**  
LARGEST LEAGUE WORLDWIDE

*The Association of Junior Leagues International, Inc*  
is composed of 291 Leagues

### 40

#### PROVISIONAL MEMBERS

actively engaged in learning about our community and being trained to effectively serve it.

### 260

#### ACTIVE MEMBERS

volunteering across our community.

### 346

#### SUSTAINING MEMBERS

who have completed 10 or more years of Active service and remain dedicated to the League.

# On behalf of

Junior League of Lafayette, I am pleased to present the 2018-2019 Annual Report. It is one that highlights our Mission of training volunteers, developing the potential of women, and improving our community through our members' hard work, tremendous community support, and invaluable community partners.

In closing the 2018-2019 League year, we were all inspired to think of one word as our takeaway. I hope you enjoy seeing some of our member's "words" throughout this edition. When I reflected on the year, many words came to my mind:

**Service.** It is a core component of our League. This year alone, the League provided over 25,000 volunteer hours and raised more than \$325,000 that is directly infiltrated back into our community. Whether it's a backpack filled with school supplies, educating children on healthy eating and lifestyles, or a grant awarded to a local nonprofit to enhance their own mission, Junior League of Lafayette serves a variety of needs.

**Collaboration.** Junior League does not just create, but it empowers. With our Mission to serve women and children as our backbone, our League is a uniting force that often paves the way for change and growth. I have thoroughly enjoyed meeting and working alongside such uplifting community partners. The relationships we forge when we work alongside diverse, thoughtful and hard-working community supporters and members are carried with us into all aspects of our lives, be it professional or personal. This year we also brought back our Community Breakfast, allowing area nonprofits to network and collaborate while learning more about our grant process. It is this dedication to strengthening and empowering local agencies that is paramount to the continued growth and success of our community.

**Milestones.** Tinsel & Treasures celebrated 25 years featuring past Committee Chairs attending Preview Party, coupled with a

toast to sponsors and the community for supporting us throughout our years. More than 10,000 shoppers attended the holiday market this year and were able to view an exhibit of our Tinsel & Treasures' history, containing memorabilia of our past 25 years. Cookbook also celebrated a milestone anniversary of "Tell Me More," which was highlighted by a joyous evening enjoyed by all at Hook & Boil Restaurant. The evening featured stories of the cookbook's evolution along with original artwork by the late renowned Cajun artist, Floyd Sonnier, who provided the illustrations found within "Tell Me More."

**Endurance.** There is a reason our League continues to be one of the largest nonprofits in our community. By training and educating current and future leaders, we create a staying power that not only produces impactful change, but also trickles down to make us better women—wives, sisters, mothers, daughters, friends, bosses. The women in our League do not just learn the skills to complete their yearly placements, but they are offered countless opportunities to grow, develop and gather the tools they need to succeed both in and out of Junior League.

**Support.** It is because of the tremendous support of our community sponsors, supporters and partners that we are able to accomplish and fulfill our Mission of making a lasting community impact through various programs and projects. I am thankful for your continued support and trust you place within us. I would be remiss if I did not mention the tremendous work of our membership and the committees who worked tirelessly; the

**MARY COURVILLE**

Chairs that gracefully led their committees, the Management Team that guided daily operations, and the Board of Directors that had strategic discussions and gave guiding direction. I can honestly say that this year, we saw progress because of comprehensive support and collective efforts.

**Grateful.** This year has truly been inspiring. I feel blessed to have witnessed and been a part of the work we accomplished together this year. I express my gratitude to all who made this year remarkable—to the membership for your inspiring work; to our partners and sponsors for your commitment and support of our Mission. I am genuinely honored to have served as the 61st President of Junior League of Lafayette and forever grateful for having had the opportunity.

With appreciation,

*Mary Courville*

# Leadership Team

# Advisory Boards

**Standing:** Corinne Sprague, Jennifer LeMeunier, Roya Boustany, Sean Trcalek, Mary Courville, Jan Risher, Chief Robert Benoit, Elizabeth Laborde, Lea Ann Remondet; **Seated:** Donna Landry, Melissa Boudreaux, Lana Fontenot, Angelle Adams, Missy Andrade; **Not pictured:** Jonathan Koob, Michael McClure, Dr. Monique Monteilh, Kristie Tatford

The Community Advisory Board for Junior League of Lafayette was established to enhance public relations and to seek objective opinions from community leaders on certain issues. It is a committee developed to provide a two-way communication link between the League and our community. The composition of the Community Advisory Board consists of ten community members and seven Junior League members.

## The Purpose of the Community Advisory Board is:

1. To advise Junior League of Lafayette in areas of finance and public relations.
2. To inform of opportunities for voluntarism and community involvement.
3. To educate community leaders about Junior League.
4. To serve as resources for information for Junior League.

# Community Programs

Junior League of Lafayette serves the community through strategic partnerships in supporting community programs, providing volunteers, and extending grants of financial awards and volunteers. How do we make this possible? It takes all of us. Our partners, sponsors, supporters, volunteers and guests who attend our community events. Because of your continued support of Tinsel & Treasures and Kitchen Tour along with our award-winning cookbook sales, we have raised over \$6 million in support of our Mission promoting voluntarism, developing the potential of women, and improving the community through our trained volunteers. Junior League of Lafayette facilitated these local community programs with valuable community partners.

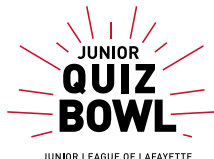

An international program developed to inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum that creatively integrates running. Designed for girls in middle school, Girls on the Run teaches life skills through dynamic, interactive lessons and running games. The program

culminates with girls feeling physically and emotionally prepared to complete a celebratory 5K running event.

A national rock & roll nutritional program that takes childhood obesity by storm, serving as a kid-appropriate approach for kicking off wellness initiatives, reinforcing classroom learning, and supporting a healthier cafeteria menu. A special thank you to Lafayette Parish School System, and this year's participating schools - Ridge Elementary, Milton Elementary, Woodvale Elementary, Prairie Elementary and Cpl. Michael Middlebrook Elementary.

For two decades, Junior Quiz Bowl has been a fun academic competition involving teams from area

junior high school students. The students participate in six weekly competitions in the fall, followed by six weekly competitions in the spring, culminated by a final tournament in March. This year's program would not have been possible without the support of our community partner, Ascension Episcopal School.

High school students participate in this life-changing, two-day initiative which exposes them to the realities and consequences of distracted driving while impaired. This year's program would not have been possible without the support of Acadian Ambulance and AirMed, Alisabeth Rivers, Ascension Episcopal School, The Eric Searcy Foundation, Fountain Memorial Funeral Home, I-49 Towing, Johnathan Waynewright, Lafayette Parish Coroner, Lafayette Parish Sheriff's Office, Lafayette Parks & Recreation, Louisiana State Police, Our Lady of Lourdes Regional Medical Center, Youngsville Fire and Police Departments

Junior League of Lafayette gratefully partners with long-time partner Miles Perret Cancer Services for SMILES program. SMILES provides an escape and supportive environment through age appropriate monthly activities and events for children ages 5-18 who are fighting cancer or have a parent/sibling with cancer. This program also hosts the Back-to-School project where school supplies are provided and packaged to participating families.

The Association of Junior League International's Kids in the Kitchen promotes child health and wellness by empowering children and youth to make healthy lifestyle choices, therefore preventing obesity and its associated health risks. In addition to guiding participants to create healthy and flavorful foods, an activities component introduces them to various forms of exercise to encourage a continued healthy and active lifestyle. We extend our gratitude for the support of Boys and Girls Clubs of Acadiana.

## DONE IN A MEETING

Helping Neighbors in Need  
December 2018

Each year, Junior League of Lafayette members participated in a Done in a Meeting project during the December General Membership Meeting. Supplies were purchased to fulfill personal care hygiene kits requested by The Emily House. The Emily House is an emergency shelter serving primarily homeless women and children in Acadiana. The shelter strives to rapidly return families to permanent housing following their temporary stay at The Emily House.

With an increase of house guests during the wintry Christmas season, the need for additional personal care kits were on the rise. And Junior League members were ready to be of service! Members assembled kits including shampoo, soap, toothbrushes, toothpaste, deodorant, lotion, and lip balm. Enclosed in each of these care kits was a handwritten, inspirational message for the women and children who would receive them.

*Located in Lafayette, The Emily House represents Catholic Services of Acadiana's most recent endeavor to respond to women experiencing homelessness in Acadiana.*

**BOYS & GIRLS CLUBS**  
OF ACADIANA

A community partner learned we were all inspired to share "one word" as our takeaway from the year. As she reflected on this year's partnership, she shared the following in describing her "one word"....

Partnership. I have been so encouraged this year by the Junior League's Leadership to collaborate with our organization on a number of possibilities, beyond our historical partnership. I feel as though the momentum of our organizations is aligned in a way that allows for out of the box conversations and ideas that can truly leverage the strengths of our collective efforts, therefore impacting women and children in Acadiana in a more significant way.

— Missy Andrade, Boys and Girls Clubs of Acadiana.

**Big Brothers  
Big Sisters.**

"We appreciate all that Junior League of Lafayette does for the young girls and boys in our program! We are thankful for partnering with you. We hope you know how much you are making a difference in so many lives! Thank you for giving your time, talent and heart."

— Laura Hall,  
Big Brothers Big Sisters of Acadiana

# In Their Own Words

"Thanks so much for taking such great care of our team on this year's tour and for your support in ensuring the continuation of our partnership in bringing our unique program to the children in your community. The energy and feedback from this year's team was tremendous! We are so excited to grow our wonderful partnership and impact more kids in the Lafayette community!"

— Mark Jayne, Jump with Jill

**BOYS & GIRLS CLUBS**  
OF ACADIANA

When asked if there was a memorable moment during this year with Junior League of Lafayette emphasizing the collaborative work we do together, here is what was said about the Girls on the Run Graduation @ Granberry...

"Our partnership with Junior League allows us to expand our programmatic offerings, particularly to young girls, who get the privilege of building relationships with strong, female mentors. One of the most critical components of our success lies in our ability to show young people that they matter and that people in our community care enough about them to show up and invest time and energy into them. The women of the Junior League have consistently shown up—true value of that cannot be put into words."

## In the spirit of the 25th anniversary, we thought we would share 25 fun facts about Tinsel & Treasures!

1. Tinsel & Treasures is the League's largest annual fundraising event.
2. The inaugural Tinsel & Treasures was held in October of 1994.
3. The holiday market was held inside the CAJUNDOME for its first seven years.
4. Due to the growth, Tinsel & Treasures moved to the CAJUNDOME Convention Center and has remained in this location for the last 18 years.
5. Excluding the first year, Junior League of Lafayette presents Tinsel & Treasures in late September.
6. The holiday market has expanded and to date includes more than 130 merchants from across the United States.
7. Tinsel & Treasures kicks off annually with a cocktail party and a sneak peak of the wonderful merchants who make up the shopping extravaganza.
8. Boutique-like shops including jewelry, food, gifts, toys, home decor, apparel and more fill booths throughout the holiday market.
9. More than 10,000 shoppers visit the holiday market each year.
10. Many shoppers continue to enjoy the traditional special events including the Children's Event, Merry Mimosas, Cocoa with Mrs. Claus and Santa Sneak Peak,
11. You can stop by to preview and buy our award-winning cookbooks in the Junior League of Lafayette cookbook booth.
12. For several years, the Tinsel & Treasures committee would select a theme for the upcoming market where the invitations and décor would reflect this theme.
13. Some of the past holiday market themes included a Parisian Village, Babes in Toyland, Nautical, Nutcracker, Candyland, and Tiffany's.
14. In recent years, Tinsel & Treasures was rebranded with a traditional holiday design filled with sights and sounds of the season.
15. At one time, Tinsel & Treasures included a style show event where League members and sponsors were the models.
16. There are two merchants – Cherchies Specialty Foods and Annette Sherman Stelly Designs – who have been with us from the beginning and are still with us today.
17. Lee Michaels Fine Jewelry has also been a sponsor since 1994, when they sponsored Preview Party for many years, and then as our Sparkle and Shine Raffle sponsor.
18. The first Tinsel & Treasures Chair was Denise Giosa who is now a Sustaining member.
19. The 25th Tinsel & Treasures Chair was Whitney Thomson who is currently an Active member.
20. The holiday market has two floors of shopping so guests shouldn't forget to "shop the top."
21. Shoppers can taste the yummy treats cooked up in the Junior League of Lafayette cookbook booth.
22. Since its inception, Tinsel & Treasures has raised over \$6 million.
23. Proceeds from Tinsel & Treasures provide financial support to further the Junior League of Lafayette's Mission through community programs, projects, and grants.
24. Tinsel & Treasures would not be possible without the tremendous support of or generous sponsors, supporters, and guests—thank you.
25. We look forward to 25 more years with you—Cheers!

*"The legacy our past chairs and committees have created and the relationships they have built with longtime vendors and sponsors have formed the fantastic market we know today." — Whitney Thomson, 2018 Tinsel & Treasures Chair*

*Celebrating  
25  
years*

Food is a cornerstone of Cajun culture. In southern Louisiana, especially, friends and family come together to share meals, stories, laughter and to make memories over food. Junior League of Lafayette has been creating some of those memories with the help of our four incredible cookbooks. "Tell Me More," the third Junior League of Lafayette cookbook, is now in its fifth reprint and has sold over 77,000 copies. *"It is so much more than a cookbook! It is a historical storybook worth reading even if you don't cook one thing!"* explained Lisa Breaux, original Cookbook Committee member.

First published in 1993, Junior League of Lafayette's "Tell Me More" celebrated its 25th anniversary this year. While it went from conception to print in just 12 months, a quick turnaround in the industry, the pages feature multiple award-winning recipes that have been perfected over many years. Winner of the 1994 Southern Regional Tabasco Community Cookbook Award, "Tell Me More" is a beautiful book featuring art and stories from Floyd Sonnier. As Cookbook Chair, Erin Alleman shared, *"Peruse for the artwork; enjoy the recipes. It's a beautiful book to have on your shelf, and share with your family especially as a native Louisianan."*

Junior League celebrated this 25-year milestone throughout the League year with celebrations and activities showcasing some of the incredible recipes. League members crafted some of their favorite recipes to share with members at General Membership Meetings. Samplings were also presented to the community during both the League's Kitchen Tour and Tinsel & Treasures. More favorites were offered during the 25th Anniversary celebration event in which a special silent auction was held awarding the winner with a framed and signed print of Dance with Me, Papa, one of Sonnier's beautiful pieces. When asked why this was one of her go-to cookbooks, Val Senegal summed it up best, *"Most of the recipes can be accomplished with simple kitchen pantry items, which is how most creoles and Cajuns cook now-a-days."*

Food brings people together. *"My kids are grown, but we all love to cook. We work all of our time together around the food ... and it's fun to read the stories while we cook. Floyd Sonnier did an amazing job of describing Cajun life through his art and stories,"* expressed Jennifer Briggs, Sustainer. Junior League of Lafayette is proud to celebrate 25 years of helping people make delicious food and craft special memories.

# Forever Fund

Junior League of Lafayette has a rich tradition of providing volunteers, leadership and funds to the Lafayette community. Contributions made to Junior League of Lafayette's Forever Fund provide an opportunity for our membership to continue to make a difference in our community. Thank you to those members who gave their treasure in addition to their time and talents.

# League Day at the Capitol

Junior League Day at the State Capitol is a day where Junior League leaders are able to meet with legislators and policy makers to discuss issues that are important to Junior Leagues in Louisiana. On April 25, 2019, Junior League of Lafayette participated in the action-packed day.

This is a day dedicated to collaborating and educating both those that represent Junior Leagues as well as others that share a passion to help vulnerable, at-risk women and children in our state. It was an educational, yet fascinating day at Louisiana's State Capitol in Baton Rouge, which included a morning conversation with legislators and government officials, a legislative luncheon featuring Kyle Ardoin, Louisiana's Secretary of State as keynote speaker, a historical tour of the Capitol building, and morning

legislative committee visits. Louisiana Junior League members were recognized on the floors of both the House of Representatives and the Senate before having the opportunity to meet with our local elected officials including Senators Fred Mills and Page Cortez. Senator Mills also recognized Junior League of Lafayette members in the Senate Health and Human Services Committee meeting.

In addition to meeting with policy makers, Junior League of Lafayette members learned about the election process, heard from other nonprofits that share similar interests, and publicly demonstrated the power of the collective voice of Louisiana Junior Leagues. Junior League leaders were empowered by state leaders to be the change to improve our great state in our own communities!

# Planning for a Path

The undertaking of Junior League of Lafayette's Diaper Bank all began during the aftermath of the 2016 flood. With many families in our area experiencing devastation, our League received an unprecedented number of requests to assist with diaper needs. Upon the realization that a shortage of diapers in Acadiana was a very real problem, our League began to search for a long-term solution. A few months later, the League's leadership team presented diaper bank research to our Board and it was then that Junior League of Lafayette's Diaper Bank initiative was officially born!

When considering new League programs, it is important research conducted shows a significant gap in the community. In this case, the research pointed to some astounding statistics about the needs of Louisiana families. To start, the average cost of diapers for one child for one month is about \$80. Another surprising piece of the research was that most government assistance programs do not cover the purchase of diapers. But the most persuasive statistic stated that one in three families struggles with diaper needs. Ultimately, low-income families suffer the most from both financial and health effects of diaper needs. At that time, Louisiana had three diaper banks distributing 1,113,461 diapers annually. However, there was

still a major unfilled gap in the needs of Acadiana residents, and Junior League of Lafayette knew we wanted to be a solution to this problem.

To set the program into motion, Fund Development Chair Chrissy Morris and Sustainer Linda Alesi, attended the National Diaper Bank Conference in Atlanta in October 2018. By the following May, our Diaper Bank Committee and members of our Board were able to visit both the Baton Rouge and New Orleans Diaper Banks, where they were able to gain insight into how the Diaper Banks operate. These trips were instrumental in our planning phase as well as helping us understand how best to set up a Diaper Bank in our own community.

"We are excited to have laid the foundation for Junior League of Lafayette's Diaper Bank program this year," shared Kimberly McCaffrey, 2018-2019 Diaper Bank Chair. Our warehouse is currently housing over 25,000 diapers which will be divided into packs of 25 for distribution. It is the goal of the Diaper Bank Committee to finalize the League's community partners for this program by the end of 2019. Ultimately, the diaper need in Acadiana can be met through the type of volunteerism that is directly aligned with the Mission of Junior League of Lafayette to support women and children in the community.

JUNIOR LEAGUE OF LAFAYETTE

DIAPER  
BANK

**\$85** Monthly supply of  
diapers cost

1 IN 3

families struggle to provide  
clean diapers for their baby

6 to 10 diapers needed  
each day per baby

Child care facilities require  
parents to provide diapers.

57% of parents with diaper needs said  
they missed an average of 4 days of  
school or work in past month because  
they didn't have diapers.

# Provisionals

Every year, the Provisional class comes together to create and implement their own project that effects change in our community. The ladies were guided by their Provisional Chair, Ashley Thom, who had this to say about the dynamic group of women in this year's class: "This group is diverse in backgrounds, interests and skills. There are business owners, doctoral candidates, mothers who stay home to raise their children, healthcare workers, retail workers, attorneys, new mothers and CPAs. The list could go on and on. There are members from all over the country — Arizona, Missouri, Tennessee, Texas and from England. There are ladies who have known each other for a long time and joined as friends. There have also been so many new friendships that have formed this year." But before they embark on a project, culminating all they have learned throughout the year, this group of women is trained and exposed to a rich history of voluntarism spanning over 61 years.

## Q: Why did you join Junior League of Lafayette?

**A:** "I was encouraged by a current member who told me I would meet other like-minded women while making an impact on the community. I decided to try it out, and I love it!"

— Kristen O'Neal, Provisional 2018-2019

This year, the 40 Provisionals partnered with Second Harvest and Scott Middle School to execute a Nutrition and Tasting Expo for the Provisional Project. After months of research and development, this group of ladies shopped and prepared 240 individual servings of healthy snacks such as hummus, yogurt, edamame, kiwi and fruit infused waters. On March 20, 2019, the ladies came together to see their vision in action and successfully completed their goals of introducing the students to healthy foods, providing a new take on old foods, and exposing students to brand new foods. The results impacted everyone involved – both by the children learning new, healthier snacking options and by empowering the provisional members as they move forward with their active years of volunteering in the League.

## Q: What takeaway will you remember from working on the Provisional project or from the training you received this year?

**A:** "I will always remember the excitement the students had in trying healthy alternatives. They were willing to try just about everything and loved learning new, healthy snack ideas."

— Shalondra Lewis, Provisional Finance Liaison 2018-2019

**A:** "The knowledge that an organized team of empowered women can accomplish anything!"

— Kelly Andres, Provisional 2018-2019

Not only did this incredible group of women fulfill a need they saw within the community, but they created lasting friendships in the process.

## Q: What will you remember most from your Provisional year?

**A:** "All the laughs from such great women in our Provisional class ... I'm looking forward to growing in the League in future years."

— Donna Vial, Provisional 2018-2019

The League offers a chance for growth, development, connections, friendships, volunteering and much more. Every year welcomes a new Provisional class, growing the League and adding more hardworking and dedicated women to an already incredible organization.

## Q: What would you tell someone interested in joining Junior League of Lafayette?

**A:** "Do it! It has been some of the most fulfilling and fun volunteer work I've ever done. The ladies you work alongside are inspiring, dedicated and genuine."

— Ashley Thom, Provisional Chair 2018-2019

# Sustainers

Sustainers play a critical role in Junior League of Lafayette. Not only are these women a wealth of knowledge that help support the League, but many still play an active role by serving on committees throughout the year. In addition to all they offer the League, many Sustainers continue to serve the community by utilizing their training and development, which is offered to all members.

Sustainers earn their title after serving the League for 10 years. Once sustained, their requirements differ from active members, but there are many ways for these ladies to stay engaged, including playing an invaluable role in Tinsel and Treasures. Throughout the year, Sustainers can attend a host of socials to engage with members and catch-up on all League happenings. Socials are meant to thank Sustainers for their continued service while also allowing them to stay connected with the year's activities. As Sustainer Miriam Bourgeois puts it, "Lasting friendships and continuing opportunities to learn and grow keep me coming back for more!"

When asked what makes Junior League stand out from other nonprofits, Debbie Foreman explained it best, "Training, training, training and the incredible bond of friendships formed while working on projects. Lifetime friends." Training and development are core components of the Mission of Junior League of Lafayette. Members are afforded the opportunity to learn a variety of techniques that serve them as leaders both within the League and our community. Each year, delegates are chosen to attend conferences across the country that help members build the skills in areas of finance, development, membership, service and more, that they need to be successful volunteers. Many Sustainers take these tools forward into the community, in their careers or through other volunteer work. "Junior League of Lafayette continues to be a leader in community service and volunteer training. I treasure the skills and experiences, the networking and the friendships forged by working together with like-minded women for the betterment of our community," sustaining member Linda Alesi shared.

# Annual Meeting

Volunteering is a selfless act. It often means countless hours away from loved ones in order to offer a service that fills a need in our community. It can be exhausting, humbling, awe-inspiring, spirit-filling and it deserves to be honored and recognized. During Junior League of Lafayette's Annual Meeting, four incredible volunteers were presented with awards for going above and beyond with their volunteer efforts. While the League is not short on extraordinary women who give both their time and energy to fulfill our Mission, the Provisional, Active, and Sustainer of the year are nominated by their peers. The final award, the President's Award, is presented to a member who the President feels has displayed timeless commitment to the League.

## Provisional of the Year Award: Courtney Boudreaux

The Provisional of the Year Award recipient is chosen by her fellow peers as the woman who best represented the commitment and energy of the class. The recipient this year embodied the Junior League Mission in all that she touched and showed true dedication to the class community project and to the League. It was her calm

spirit and kind interactions with her fellow Provisionals, advisors, Lafayette Parish School System employees and the children at the event which really set her apart.

The 2018-2019 Provisional of the Year was awarded to Courtney Boudreaux.

## Active of the Year Award: Margo Duggs

Similar to the Provisional Award, the Active of the Year Award is nominated by current members. This year's awardee dealt with a tremendous amount of juggling throughout each week, was flexible with her time, and she gracefully served two very demanding League placements this year. Her organizational abilities and responsiveness

are like no other—always willing to help, and going above and beyond the expectations of her role. Her accessibility, collaborative spirit and dedication are a few reasons she was chosen by her peers as Active of the Year. Margo Dugas was awarded the 2018-2019 Active of the Year Award.

## *Sustainer of the Year Award: Lee Ann Remondet*

Sustainers are truly gems within our League. They have come before us and helped lay the foundation of what our League is today. Some Sustainers continue to be engaged as Sustaining Advisors or even hold a placement open to Sustainers. This year's Sustainer of the Year Award has long been remembered for her contributions during her League career, which began in 1998 and culminated with leading the League with poise and elegance while serving as our forty-ninth President. Her peers describe her as "graceful and insightful; always encouraging and listening

to all sides of any issue. She is a true ambassador for Junior League!" Many women have grown, learned and developed as volunteers, women, and community leaders under her guidance. Serving as this year's Sustaining Advisor to the Board, she was invaluable as an advisor, mentor, cheerleader and friend. She is also actively engaged in the community with other organizations such as Young Life and Second Harvest.

The 2018-2019 Sustainer of the Year Award was presented to Lea Ann Remondet.

## *Presidential Award of the Year: Stacia Fontenot*

The final award is selected by the President herself. This year's recipient first touched the heart of the President while serving under her leadership in 2009. Always offering a kind word or a helping hand, she made her numerous hours of volunteering seem effortless. Her work ethic stands just as strong today as it did then. She served

two placements this year and did so with her gentle spirit and commitment to the community. In these placements, she drew from her depth of League knowledge, empowered other women and graciously served.

The 2018-2019 Presidential Award recipient was Stacia Fontenot.
