LETTER from the PRESIDENT

People frequently ask me, “Why do you volunteer for Junior League of Lafayette?” My answer is always the same: Junior League of Lafayette has shaped me to be the woman I am today. Our Mission is a part of who I am and what I know to be true. Our Mission speaks directly to our commitment of building a better Lafayette by promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers.

In its 60 years, Junior League of Lafayette’s focus on training and volunteering has resulted in hundreds of trained volunteers and dedicated community projects focused on nurturing the health and well-being of women and children in our area. This year we are building on that rich history of community involvement. It’s heartwarming to reflect on what has been accomplished in 2017: as a League this year we celebrate our 60th Anniversary, we successfully hosted the 24th annual Tinsel & Treasures market, and we also commemorate the 50th year of our Talk About Good! cookbook with a featured article in The Washington Post (talk about increasing awareness and excitement for our cookbook series nationwide!). 2018 is shaping up to be just as impactful. Our Kitchen Tour committee is coordinating with the homeowners of six beautiful homes, our Community Council committees are continuing their engagement with our community partners, and our Leadership Team is assessing the personnel and financial needs of our programs to plan for the future.

However, none of these meaningful traditions and tangible impacts would be possible without our dedicated members. For 60 years, we have relied on women with a desire to receive training and to give back. In order to sustain the strength of our League, and in turn the impact we make in our community, the recruitment of new members possessing energy, ideas and excitement is essential. We are currently seeking new members who share this commitment to leadership training, skills development, networking, and giving back to our community. Please consider reaching out to those women in your life who are open to learning more about our Mission and impact in the community.

In closing, it is easy for me to choose to volunteer for Junior League of Lafayette because of our remarkable network of members, community partners, sponsors, donors and friends. To each of you, I extend my sincerest appreciation for continuing to support our Mission and allowing Junior League of Lafayette to impact our community for the past 60 years.

Wishing you all a Merry Christmas and a safe and peaceful New Year!

Corinne Cotten Sprague

FUNDING LOCAL NONPROFITS

Junior League of Lafayette recently awarded grants in the sum of \$15,000. Annually, Junior League of Lafayette awards financial support to qualifying nonprofits whose programs support the general well-being of women and the healthy development of children.

The organizations and their programs are chosen based on Junior League of Lafayette's Mission which is promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers.

2017-2018 GRANTS RECIPIENTS

Lafayette Parish School System: C.O.W. on the Move

(\$1,500, four volunteers) This grant was awarded to purchase books and other supplies for the new Classroom On Wheels (C.O.W.) program. This RV traveling program will make stops at 48 childcare centers in the Lafayette area, offering children ages infant to 3 years old the opportunity to explore books and interactive activities.

Big Brothers Big Sisters of Acadiana: Spooktacular Halloween Party

(\$1,000, 10 volunteers) Junior League volunteers helped host Big Brothers Big Sisters annual Halloween Party for the Littles and Bigs. COMMUNITY SPOTLIGHT

SMILES Shrek

On Saturday, October 7, the SMILES Committee hosted 60 guests from Miles Perret Cancer Services (Miles Perret) for a performance of Shrek presented by Christian Youth Theater. Families with children affected by cancer or who have a sibling or parent currently battling cancer, were treated to a fun-filled matinee performance and concessions.

"We are grateful to be able to support Miles Perret children and families and plan a memorable outing during a difficult time in their lives," says SMILES Committee

members Rebecca Thomas and Lauren Boyles. "It was heart-warming to see the smiles on the children's faces."

Members of the SMILES Committee work to plan activities like this throughout the year to give Miles Perret children and their families opportunities for family fun. Resources for this and other JLL sponsored programs are raised year-round through fundraising efforts such as Tinsel & Treasures, Kitchen Tour and JLL cookbook sales.

COMMUNITY SPOTLIGHT

MEMBER SPOTLIGHT

Elizabeth Lyons, SMILES Chair

1. When did you join Junior League and why?

Voluntarism was a big part of my life in high school and I was missing that. And as a transplant to Lafayette, I was also looking to connect with other women who shared similar values. Junior League of Lafayette has been one of the most fulfilling parts of my life.

2. What do you like best about being the chair of SMILES this year?

This year it has been wonderful to see the League's impact on the community. It's really amazing to see the women on the SMILES committee and their willingness to share their time and talents in such a selfless way. Also watching members from all parts of the League --from SMILES, marketing, leadership, Provisionals and more--come together to make our Back-to-School event happen this past summer illustrated the magnitude of what the League can do.

3. How have your previous placements prepared you for this role?

It may not be obvious at the time, but all placements are training you for the next. Simply the opportunity to experience the grace and professionalism of other League members has made a tremendous impact on me.

4. What is the one thing you hope to accomplish this year?

Externally, our SMILES mission is to provide memorable, joyful events for our Miles Perret guests while internally, my primary goal for our committee members is that they feel fulfilled and realize their part in the greater League mission. The trick is understanding that each member is looking for a different experience and trying to tailor their involvement to their individual personalities.

5. What is one thing our members (and even the community) may not know about SMILES?

You may already know this, but it's incredible to experience first-hand how truly fantastic the women of Junior League and Miles Perret Cancer Services are. Each event is entirely planned, coordinated and completed because of them. Oh, and that the 13 members of our committee with the help of MPCPS purchased, sorted and packed over 4,000 school supplies in three short weeks to ensure children affected by cancer, either directly or as a child or sibling of a cancer patient, could arrive prepared at the beginning of the school year. It's no small feat!

COOKBOOK

Seasonal Specialty

Spread the holiday cheer into the New Year with this fun candy recipe! This delicious dessert offering comes from *Cooking from the Coast to the Cascades*, produced by the Junior League of Eugene, Oregon. This book is our January featured swap book special and will be on sale for \$12. *Cooking from the Coast to the Cascades* offers fresh recipes for everything from elegant dining to outdoor entertaining, quick weeknight meals and holiday treats. Enjoy!

HOLIDAY CANDY

- 1 1/2 cups shelled raw unsalted pistachios
- 1 1/2 cups dried cranberries (6 ounces)
- 20 ounces white chocolate, finely chopped

Place the pistachios in a pie pan. Bake at 350 degrees for 10 minutes, stirring occasionally. Do not overcook or the pistachios will lose their bright green color. Set aside and let cool.

Place a steamer basket over 1/2 inch of water in a medium saucepan. Bring to a boil over medium-high heat. Add the cranberries to the basket and cover. Steam for 3 minutes or until softened and moist. Remove the berries to paper towels to drain. Blot dry and let cool.

Reduce the heat to medium-low under the saucepan to keep the water at a simmer. Place 3/4 of the white chocolate in a heatproof bowl and set over the simmering water. Heat the chocolate for 4 minutes or until two-thirds melted, stirring occasionally. Remove the bowl and add the remaining chocolate. Whisk until all chocolate is melted and smooth. Insert a candy thermometer in the chocolate and let cool to 82 degrees, stirring occasionally. Stir in the pistachios and cranberries.

Pour the mixture onto a large baking sheet lined with parchment paper, waxed paper or foil. Spread to a 10x14-inch rectangle about 3/8 inch thick. Chill for 20 to 30 minutes or until hardened. Break into large pieces and store in airtight container. Yield: 2 pounds.

Talk About Some Good News

The Junior League of Lafayette's Cookbook Committee is proud of the organization's beloved *Talk About Good!*, which has been serving up delicious recipes in Acadiana's kitchens for 50 years. And, the League members aren't the only one's taking notice. In fact, this fabulous cookbook was featured in the Washington Post on August 14, 2017. Since then, *Talk About Good!* sales have skyrocketed to more than \$7,000! People have

been calling in orders from all over the country and sharing their own stories of the treasured cookbook.

At least seven large cities have recognized *Talk About Good!* and covered the 50th Anniversary story in their publications. *Talk About Good!* is the second highest selling Junior League cookbook of all time. The Junior League of Lafayette is excited to see people from across North America still talking and sharing stories of this cherished cookbook 50 years later.

Here's what people are saying about *Talk About Good!*:

Checklist: Holiday Safety Tips

Many of us love the anticipation of shopping for friends and family this time of year. However, before you venture out, take a moment to read these helpful tips from the **Lafayette Police Department** to keep you and your family safe this holiday season.

1. Keep your travel plans offline.

If you are planning to travel during the holiday season, consider waiting to post your excursions on social media until you have returned home. Posting your holiday travel plans, including when and where you are going, is all that a potential burglar needs in order to know when your house will be empty. Even if you have the highest level of security on your social media accounts, posting travel photos in real-time should be avoided.

2. Notify a neighbor. If you are planning to go out of town during the holiday season, ask a trusted neighbor to keep an eye on your house and report

any suspicious activity. Great neighbors don't mind picking up mail and newspapers while you are away. Make sure your house looks like somebody is home to deter a burglar.

3. Hide gifts. While placing beautifully wrapped gifts under the tree creates a real sense of the holidays, it is also a temptation for a burglar. Christmas trees with gifts underneath look beautiful in the window, but are also susceptible to a smash and grab break-in scenario.

4. Watch your holiday lights. According to the U.S. Fire Administration, December is the deadliest month for electrical fires.

Make sure your electrical cords and strands of lights are not frayed. Also, be sure to turn off any holiday lights when you are out for the evening and when you go to bed. An outdoor timer to switch lights on and off is a great way to ensure you don't forget.

5. Stash Your Trash. After the celebrations are over and it's time to clean up, take care to discretely discard boxes in which gifts were given, especially electronics. All boxes should be fully stowed in trash and recycling bins and out of sight of potential burglars. Don't advertise your newest trinkets and toys that others would want, too!

Holiday Feature

Holiday Crime Prevention Tips While Shopping:

- Stay alert to your surroundings and the people around you.
- Shop with a friend. There is safety in numbers.
- Avoid carrying large amounts of cash.
- Pay for purchases with credit or debit card.
- If possible, carry only your driver's license or necessary credit or debit cards.
- If you must carry a purse, do not wrap the straps around your arms or shoulders. Carry a clutch purse tightly under your arm or wear a fanny pack.
- Do not carry a wallet in a back pocket. It should be placed in a front pocket of your pants for safety.
- Be alert that thieves look for the "high dollar" shopping bags with your purchases. When possible, slip bags/purchases in a plain, nondescript bag.
- Educate your children about what to do if they are lost or separated.
- Don't overburden yourself with too many packages. Make a trip to drop items at home if you must.
- Have your car keys ready in hand before leaving the store.
- If you do return to your vehicle to unload purchases, place them in the trunk of the vehicle.
- Avoid shopping late, when stores are closing. Remember, fewer people are present at this time.
- Shop online if possible.
- Don't forget to lock your vehicle when you enter the store!

Holiday Crime Prevention Tips in Parking Lots:

- Shop early and leave early to avoid evening darkness.
- Park in a high visibility area and check for lighting in case you leave during hours of darkness.
- Prior to arriving at the shopping center, lock all your valuables in the trunk of your vehicle.
- Leave the store with others, not alone.
- Ask security to escort you to your vehicle if you feel uncomfortable.
- Walk briskly, confidently, and directly through the parking lot. Be cautious of people handing out fliers or asking questions in the parking area.
- Watch for people who may be following you. This can occur inside, as well as outside. If you suspect someone following you, report it to security immediately.

Holiday Crime Prevention Tips At Home:

- Keep the outside of your home well lit with doors locked and window curtains closed.
- Remove valuable items from your vehicle at night, including firearms and electronics.
- Lock your vehicles!

PROVISIONAL UPDATE

Fall Fun

Our Provisionals are enjoying a great year! Earlier in the fall, each Committee Chair visited with the group to introduce the Community Council. The engaging presentations included messages from a NO FEAR NO FUTURE participant, a former Junior Quiz Bowl student, and a “done-in-a-meeting” Christmas ornament project for SMILES. Each of these activities provided further insight into a few of the fantastic Committees within the League.

This season, the Provisionals also enjoyed a Halloween-themed social at the home of advisor Cathy Lagrange. Along with having time to relax and socialize with their fellow members, it was a treat to see their creative, not-so-spooky costumes! Provisional research teams also met and narrowed down the submitted project ideas to three options for their upcoming Spring Provisional Project. The project will give our new members an opportunity to take part in a meaningful event that directly impacts the lives of women and children in our community. We can’t wait to see what’s in store next for these ladies!

HIGHLIGHTS FROM TINSEL & TREASURES

We had 74 Sustainers who enjoyed Tinsel & Treasures Preferred Shopping this year. Upon entrance, each Sustainer was given a gold Christmas ornament, a 60th Anniversary wine glass, a 60th Anniversary commemorative bag, and the 2017-2018 Sustainer Membership Directory!

A big thank you to those Members and Sustainers who helped out in the Merchant Lounge this year. We would not

have been able to do it without their help! Much appreciation goes out to Kellie Kerstetter, Lainey Tuten, Melanie Martin, Becky Ducrest, Tammy Bernard, Cindy Self, Jill LeBlanc, Jacquelyn Jenkins, Linda Alesi, Cecile Mouton, Bridget Chaisson, Carolyn Fontenot, Kim Summerhays and Michelle Hebert! It's a big task to keep the merchants happy and these ladies did a fantastic job!
