

# COMMUNITY IMPACT: 2022-2023

## OUR MISSION

Junior League of Lafayette is an organization of women whose Mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

## OUR VISION

Women as Leaders for Lasting Community Change

## OUR WORK IN THE COMMUNITY

Junior League of Lafayette is committed to providing our community with direct and indirect resources, namely financial contributions and volunteer hours. To date, our Collaborative Opportunity Grants and Opportunity Knocks committees have distributed \$102,930 to sustain and grow area nonprofits and provide more than 27,000 volunteer hours in the Lafayette community.

One in four girls misses school due to period poverty. EmpowHER. seeks to provide period supplies and uniform clothing to young women in the community. Last year, Junior League of Lafayette was able to donate 56,550 period supplies for women in need.
