

2020 Tinsel & Treasures Product and Photograph Submission Form

I. Photographs:

As part of your application, you *must* submit a minimum of three (3) photos representing the merchandise you will be selling at Tinsel & Treasures and two (2) photos of your booth set-up. You may submit your photos by

- (i) E-mailing them to merchants@juniorleagueoflafayette.com, subject: Your business name, 2020 T&T application photos; or
- (ii) Mailing them to: Junior League of Lafayette, Attention: Katherine Riemann, Merchants Coordinator, 504 Richland Avenue, Lafayette, LA 70508. Please label each mailed photograph with the business name under which you applied.

II. Samples:

Samples of your merchandise are strongly encouraged. These samples will be displayed during the 2020 Merchants' Selection Committee Meeting this spring. The Merchant Selection Committee is comprised of new League members each year and samples would provide a tangible idea of the items that would be sold at market. Samples submitted in connection with Merchants applications are used throughout Tinsel & Treasures as door and raffle prizes as well as in our silent auction — the proceeds of which benefit Junior League of Lafayette's community programs and grants opportunities. We thank you in advance for your contributions, which directly impact our ability to give back to our community.
