WeGotThis.

THE JUNIOR LEAGUE

Welcome back!

Our theme for this year centers around the very core of what makes Junior League of Lafayette unique. We are a diverse group of more than 650 women working together to serve the needs of women and children in Acadiana. From working professionals to full time homemakers, each of us brings a variety of strengths to our organization. In the midst of our League's 62nd year, I am constantly inspired by the dedication of our members to our Mission, and the commitment we have to making our community a better place to live, work and grow. New projects are on the horizon for our League, and the support of the community and our members at our upcoming Tinsel & Treasures Holiday Market will ensure the success of these new endeavors as well as the continuation of our long-standing community programs. It takes ALL of us—all of our combined strengths working together to make our League and the community the best it can be. No matter the challenge, we will persevere, because WE are Junior League of Lafayette, and We Got THIS.

President Angelle Adams

Angelle

BOARD OF DIRECTORS 2019-2020

Impact That Lasts

Over the past **25 years**, **Tinsel & Treasures** has become a favorite destination for shoppers looking for that perfect gift. However, beyond the ribbons and bows, this popular holiday market has had a lasting impact on our community here in Acadiana. Since its inception, Tinsel & Treasures has raised more than **\$6 million dollars** that have been invested in the Lafayette community through programs benefiting women and children in our area. It has also allowed us to provide financial support for Junior League of Lafayette and its Mission to promote voluntarism, develop the potential of women, and improve the community through the effective action and leadership of trained volunteers.

Jump With Jill, the world's only rock 'n' roll nutrition show, is one of our community programs that benefits the youngest Acadians in our community. This national organization has performed for over a million kids in over six countries, and Junior League has brought them right here to Lafayette! This community program has grown each year due to the funds provided by Tinsel & Treasures. This year, they will bring the show to three elementary schools who also participate in the School Garden Initiative for the Lafayette Parish School System. With health, fitness and nutrition in mind, our partnership with these schools supports their efforts to fight childhood obesity and create healthy habits for our children in Lafayette that lasts a lifetime.

NO FEAR NO FUTURE

JUNIOR LEAGUE OF LAFAYETTE

NO FEAR NO FUTURE is another community program that relies on the League's fundraisers. For the past 15 years, high school students across our city have participated in a mock crash scene which includes realistic equipment, emergency responders, guest speakers and an overnight retreat. This experience brings the consequences of distracted and impaired driving to life. Committee Chair, Brooke Bell shared why she has continued to volunteer with NO FEAR NO FUTURE for the past three years: "Seeing the first responders, funeral home, hospital, towing company, etc. come together every year to help us has to be one of my favorite parts of the program. They give us two days of their time and resources so we can help make our community a little safer." By investing in this program, we believe we are bringing Lafayette families a bit more peace of mind on the roads.

LOOKING FORWARD!

FALL 2019 WOMEN'S LUNCH & LEARN

*Wednesday
November 20, 2019*

We are incredibly proud to use the fruits of our fundraising efforts to launch our newest program, The **Women's Lunch and Learn Series**. This program will be a training opportunity offered to all women in Acadiana. Anyone may find the topics and resources of this program useful, from a newly graduated college student to a stay-at-home mom looking to re-enter the workforce. In its inaugural year, the program will offer the community a three-part luncheon series, all for a nominally ticketed price. We are excited to offer a community program designed specifically to develop the potential of women in Acadiana.

In a community with ever-evolving needs, Junior League of Lafayette is proud to serve as a force for good, impacting Acadiana one community program at a time. For a full listing of our community programs, please visit our website at juniorleagueoflafayette.com

PROVISIONAL SPOTLIGHT

Welcoming New Volunteers

Junior League of Lafayette is thrilled to welcome the 35 ladies who make up the 2019-2020 Provisional Class. Provisional Chair Danielle Hines leads this year's class along with six advisors who will guide this group of ladies throughout their exciting, informative and inspiring year.

The Provisional Class for this year will experience a different schedule from those in more recent years. Provisional meetings will take place during the day, allowing for a smaller, more intimate class comprised of women with more flexible schedules who are eager to jump into all things Junior League of Lafayette.

The Provisional Class kicked off the year with "**Super Saturday**" on August 10, 2019, held at Junior League of Lafayette Headquarters. Provisional Class members were introduced to members of both Junior League of Lafayette's Board of Directors and Management Team. They also received a crash course in the history of Junior League of Lafayette and how the League operates. Provisionals were given the chance to learn about fundraisers for the League, such as Junior League of Lafayette Cookbooks and Tinsel & Treasures. Perhaps most importantly, they also had the opportunity to connect with their fellow classmates in fun, meaningful interactions and activities strengthening the relationships they will carry throughout the year.

After listening to various presentations regarding the past, present and future of the League, the ladies broke into groups with their Provisional Advisors and began to learn more about the responsibilities

and expectations associated with their Provisional Year. Throughout the upcoming year, Provisionals will serve alongside active members to ensure Tinsel & Treasures runs smoothly, have the opportunity to assist with community programs, and plan a Provisional Project to benefit the community.

After such an inspiring and educational morning, the day was just getting started. Provisional Advisors led groups on **field trips** across Lafayette to visit sites of some current and legacy community partners. They visited the new storage facility for the Junior League of Lafayette's Diaper Bank followed by stops at community partners Boys and Girls Club Jackie Unit; the Children's Museum of Acadiana; Healing House; and Miles Perret Cancer Services. By visiting these sites, among many others, Provisionals were able to see a comprehensive picture of the impact Junior League of Lafayette continues to have on the Lafayette community.

Throughout this year, we hope that this diverse group of ladies learns not only the importance of Junior League of Lafayette within the **community at large**, but we hope they see that we are all one team. We will be one another's greatest cheerleaders and each member of Junior League of Lafayette will find their place within our League. Each member is encouraged to try new things, step outside of her box, and contribute to the League and our community in ways that leave a lasting mark on Lafayette and herself.

It will be a great year for our 2019-2020 Provisional Class, and with the support of our team, it will be one they will never forget. They've got this. We've got this, Together!

Talk About Good II 40th Anniversary Celebration

Maybe you've seen it in your mother's pantry for years. Maybe you've wrapped it as a wedding shower gift for dozens of friends. Maybe it's been your best-kept secret for throwing divine dinner parties in your own home. Regardless, everyone knows that Talk About Good II is a staple in the world of authentic Cajun entertaining, and we are celebrating its 40th anniversary this year. In this coveted cookbook, wine references, wild game recipes and party planning hints share space with 12 full-color prints by the late, internationally-acclaimed "Blue Dog" artist, George Rodrigue.

"My family is so happy that Talk About Good II is still a must-have cookbook for any self-respecting Cajun," says Jacques Rodrigue, son of artist George Rodrigue. "Thank you to the Junior League for wanting to partner with Dad and his depictions of South Louisiana life on the project 40 years ago. We are excited for the anniversary this year and look forward to several events around the state to

celebrate the cookbook, the artwork and the recipes."

After 40 years of success and hundreds of thousands of copies sold, the current publication has seen a variety of bindings and covers. In its 10th reprint, the cookbook now features a lay-flat case binding and a high-gloss hardcover with one of George Rodrigue's most famous paintings gracing the cover. This infamous image depicts his son, André, as a boy holding a fishing rod while wearing a "Kiss Me, I'm Cajun" shirt. This particular painting was inspired by a trip he took to Texas: "When I found that shirt in Houston," said Rodrigue, "I knew that the Cajun culture was finally becoming known outside of Louisiana." Only a couple of years after this trip to Texas, the painting became a jewel in the Acadiana community and the perfect adornment to the collection of recipes. It's been 40 years, and Junior League is still so proud to have created a cookbook that beautifully melds art, food and culture together, and that is certainly a cause for celebration!

Fantastic Canneloni

Talk About Good II by Margaret A. Blumberg

Ingredients:

- 1 (3-ounce) package manicotti or cannelloni shells
- 1 ¼ pounds Italian sausage
- 1 (10-ounce) package frozen chopped spinach, thawed
- 3 eggs, lightly beaten
- 5 ounces cheese, shredded
- 1 cup creamed cottage cheese, small curd
- ¼ cup grated Parmesan cheese
- ½ cup bread crumbs (optional)
- Salt and pepper to taste
- 1 (28-ounce) jar Hunt's Prima Salsa Sauce

Instructions:

Boil cannelloni shells in a large amount of salted water to which 2 tablespoons cooking oil have been added. Drain and rinse thoroughly; separate to prevent them from sticking together. Remove Italian sausage from casing and brown in heavy skillet, stirring to break up. Place in bowl and add thawed spinach, mozzarella cheese, cottage cheese, Parmesan cheese, bread crumbs and eggs. Season to taste with salt and pepper and mix

thoroughly. Stuff mixture into prepared cannelloni shells and place in a single layer in a well-greased baking dish.

Cover with Prima Salsa

Sauce; you may not

need the whole

jar, but do be

generous.

Bake in a

pre-heated

350° oven

for 30

minutes.

Additional

Parmesan

or

mozzarella

cheese may

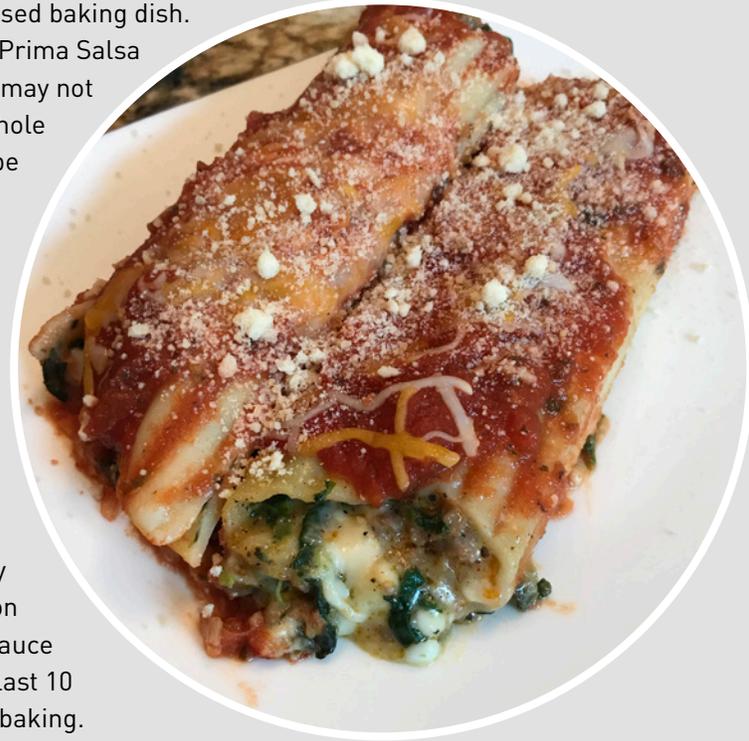

be strewn on

top of the sauce

during the last 10

minutes of baking.

Servings: 6.

TAG II on Exhibit at The Southern Food & Beverage Museum

Our beloved book featuring artwork from the legendary George Rodrigue will be front and center in the New Orleans museum for the entire month of December. In addition to the ongoing exhibit, *TAG II* will be a part of the museum's Headline Made in New Orleans Festival on December 7. The festival is a celebration

of Louisiana's art and cuisine and the *TAG II* 40th Anniversary exhibit will serve as a major point of interest for this event.

Thank you to the Rodrigue family and the staff at The Southern Food & Beverage Museum for this unique and exciting opportunity.

SMILES

Putting smiles on every face.

The phrase, “You have cancer,” is a mountain for anyone to face, regardless of their age. But, a cancer diagnosis is one of the most unimaginable challenges a family can have to face, and it is the reality of many of the families at Miles Perret Cancer Services. It is through these circumstances that Junior League of Lafayette steps up through a partnership with Miles Perret Cancer Services to bring joy, escape and assistance to these families in the most trying of days.

Through an event focusing on the child and eliminating an essential demand on the families’ already busy schedules and financial obligations, this year’s Junior League of Lafayette SMILES Committee partnered with Miles Perret Cancer Services fulfilling school supply lists for the 130 local children ages 5–18. This **Back-to-School Project** offered practical support to Miles Perret Cancer Services, who gifted the individually selected school supplies to families in need.

SMILES Committee member Katie Patrick described her experience, “The Back-to-School Project was the best experience I’ve had with Junior League. To know that I contributed to making life a bit easier for these families struggling through so much reminded me why

volunteering in our community is so important.”

The mission of the SMILES Committee is to work with Miles Perret Cancer Services to provide meaningful and supportive activities for children who are fighting cancer or for children whose parents or siblings are battling cancer. Each of the 13 SMILES Committee members spent several hours shopping for specific supplies needed for each child in preparation for the upcoming school year. These volunteers assembled more than 4,000 items into customized bags for each child during the collaborative event.

“Miles Perret families are fighting, surviving and living with cancer,” said Kate Blecher, Junior League of Lafayette SMILES Committee Chair. “The most rewarding part about working with Miles Perret is working with the families. These families are living and surviving the unimaginable and we have the opportunity to offer a small bit of normalcy. Through monthly events, we provide experiences for them to look forward to and enjoy with their families, where all they have to focus on is being together and having fun.”

The school supplies were distributed to the **57 families** by Miles Perret Cancer Services at the end of July, just in time for the kids to

return to school fully prepared. “The Back-to-School Project is an opportunity for us to take the often daunting task of school supply shopping off of a busy family’s schedule and give them one less thing to worry about,” Blecher went on to say.

In addition to volunteer hours, Junior League of Lafayette supports the families of Miles Perret Cancer Services by purchasing \$7,500 worth of back-to-school supplies for those children in school. This contribution is made possible through the League’s fundraising efforts including Tinsel & Treasures, Kitchen Tour and cookbook sales.

Junior League of Lafayette is committed to ensuring that the children and families of our community, especially those most vulnerable, are supported and given every opportunity to thrive. It is through partnerships like the one with Miles Perret Cancer Services that allow Junior League of Lafayette volunteers to identify, support and impact these incredible children and families who most need a community to lift them up. It is our hope that Junior League of Lafayette can offer a bit of hope to families who are facing cancer and remind them that we are all in this together. We are one community. We are one family.
